

## Robert J. Morin, 69

SOUTH CASCO - Robert J. Morin, 69, passed away on July 3, 2016, following complications with Parkinsonism. Bob was born in Portland on June 13, 1947, to Reynold and Stacia Morin.

He attended local schools, and in 1966 he enlisted in the Navy where he proudly served for four years, including two tours in Vietnam. He received the National Defense Service Medal, Vietnam Service Medal, and a [Bronze Star](#). While in the Navy, he met Judy, the love of his life, on a blind date. They were married in 1970 and began their life together in Buxton where they built their first home and welcomed their first child. A few years later they moved to South Casco where they spent the next 40 years together and welcomed their second child. Bob was a man with many skills, but for his career he concentrated his talents building and repairing torque converters. He enjoyed spending time with his family, volunteering for the Casco Fire Department, at Casco Days, and local schools. When he was well, Bob enjoyed hunting, fishing, gardening and going to camp.

He was predeceased by his parents.

He leaves behind his wife of 46 years, Judy; his daughters, Tracy and Jen; his sisters, Linda, Earlene, Sandy, Kathy, and Sherry; and brother Rick. He also leaves behind very special brothers-in-law Butch and Michael; and many nieces, nephews, aunts, cousins, and close friends.

The family would like to thank the staff at Androscoggin Home Care and Hospice for their compassionate care for Bob over the final days of his life. Bob's service will be held on Friday, July 8, at 4 p.m. at the Dolby Funeral Chapel, 434 River Rd., Windham. A private burial will take place immediately following. A celebration of life will be announced at a later date.
